# Lock and Lean Police Motorcycle Training 80-Hour Police Motor Officer Certification©

This intense two-week course teaches Officers how to properly handle a patrol motorcycle in various street environments for successful day-to-day patrol operations. This class is taught by an active full time Police Motor Officer/Supervisor with many years of combined training and current active patrol experience.

Class is **Mon-Friday 8am-4pm** each day. **(May 9-13 & 16-20, 2016)**

Training Topics at a Glance:

## **Slow Speed Operations**

Motorcycle nomenclature, brakeless throttle/clutch management, straight line balance, tight balanced turns, balanced stops, quick transitions, slow speed/tight space street survival escapes and much more.

## **Street Speed Operations**

Smooth acceleration/deceleration techniques, threshold braking at 40mph +/- speeds with transition to slow speed, evasive maneuvers, group/partner riding techniques, multi-surface riding, situational response tactics and much more.

Our training fleet consists of Harley-Davidson Police Road King Motorcycles from various years.

Police Departments may choose to bring their own Police Motorcycle to the training.
